CREDIT SUPPORT ANNEX

to the Schedule to the

ISDA Master Agreement

dated as of 7 March 2017

between

Standard Chartered Bank

and

("Party A")

Advisors Limited (the
"Investment Manager"), acting as agent for
and on behalf of each Principal, severally and
not jointly, within the meaning of Part 6 to the
Master Agreement (each such principal also
referred to herein as "Party B")

This Annex supplements, forms part of, and is subject to, the ISDA Master Agreement referred to above and is part of its Schedule. For the purposes of this Agreement, including, without limitation, Sections 1(c), 2(a), 5 and 6, the credit support arrangements set out in this Annex constitute a Transaction (for which this Annex constitutes the Confirmation).

Paragraph 1. Interpretation

Capitalised terms not otherwise defined in this Annex or elsewhere in this Agreement have the meanings specified pursuant to Paragraph 10, and all references in this Annex to Paragraphs are to Paragraphs of this Annex. In the event of any inconsistency between this Annex and the other provisions of this Schedule, this Annex will prevail, and in the event of any inconsistency between Paragraph 11 and the other provisions of this Annex, Paragraph 11 will prevail. For the avoidance of doubt, references to "transfer" in this Annex mean, in relation to cash, payment, and in relation to other assets, delivery.

Paragraph 2. Credit Support Obligations

(a) **Delivery Amount.** Subject to Paragraphs 3 and 4, upon a demand made by the Transferee on or promptly following a Valuation Date, if the Delivery Amount for that Valuation Date equals or exceeds the Transferor's Minimum Transfer Amount, then the Transferor will transfer to the Transferee Eligible Credit Support having a Value as of the date of transfer at least equal to the applicable Delivery Amount (rounded pursuant to Paragraph 11(b)(iii)(D)). Unless otherwise specified in Paragraph 11(b), the "Delivery Amount" applicable to the Transferor for any Valuation Date will equal the amount by which:

(i) the Credit Support Amount

exceeds

(ii) the Value as of that Valuation Date of the Transferor's Credit Support Balance (adjusted to include any prior Delivery Amount and to exclude any prior Return Amount, the transfer of

which, in either case, has not yet been completed and for which the relevant Settlement Day falls on or after such Valuation Date).

(b) **Return Amount.** Subject to Paragraphs 3 and 4, upon a demand made by the Transferor on or promptly following a Valuation Date, if the Return Amount for that Valuation Date equals or exceeds the Transferee's Minimum Transfer Amount, then the Transferee will transfer to the Transferor Equivalent Credit Support specified by the Transferor in that demand having a Value as of the date of transfer as close as practicable to the applicable Return Amount (rounded pursuant to Paragraph 11(b)(iii)(D)) and the Credit Support Balance will, upon such transfer, be reduced accordingly. Unless otherwise specified in Paragraph 11(b), the "Return Amount" applicable to the Transferee for any Valuation Date will equal the amount by which:

(i) the Value as of that Valuation Date of the Transferor's Credit Support Balance (adjusted to include any prior Delivery Amount and to exclude any prior Return Amount, the transfer of which, in either case, has not yet been completed and for which the relevant Settlement Day falls on or after such Valuation Date)

exceeds

(ii) the Credit Support Amount.

Paragraph 3. Transfers, Calculations and Exchanges

(a) **Transfers.** All transfers under this Annex of any Eligible Credit Support, Equivalent Credit Support, Interest Amount or Equivalent Distributions shall be made in accordance with the instructions of the Transferee or Transferor, as applicable, and shall be made:

(i) in the case of cash, by transfer into one or more bank accounts specified by the recipient;

(ii) in the case of certificated securities which cannot or which the parties have agreed will not be delivered by book-entry, by delivery in appropriate physical form to the recipient or its account accompanied by any duly executed instruments of transfer, transfer tax stamps and any other documents necessary to constitute a legally valid transfer of the transferring party's legal and beneficial title to the recipient; and

(iii) in the case of securities which the parties have agreed will be delivered by book-entry, by the giving of written instructions (including, for the avoidance of doubt, instructions given by telex, facsimile transmission or electronic messaging system) to the relevant depository institution or other entity specified by the recipient, together with a written copy of the instructions to the recipient, sufficient, if complied with, to result in a legally effective transfer of the transferring party's legal and beneficial title to the recipient.

Subject to Paragraph 4 and unless otherwise specified, if a demand for the transfer of Eligible Credit Support or Equivalent Credit Support is received by the Notification Time, then the relevant transfer will be made not later than the close of business on the Settlement Day relating to the date such demand is received; if a demand is received after the Notification Time, then the relevant transfer will be made not later than the close of business on the Settlement Day relating to the day after the date such demand is received.

(b) **Calculations.** All calculations of Value and Exposure for purposes of Paragraphs 2 and 4(a) will be made by the relevant Valuation Agent as of the relevant Valuation Time. The Valuation Agent will notify each party (or the other party, if the Valuation Agent is a party) of its calculations not later than the Notification Time on the Local Business Day following the applicable Valuation Date (or, in the case of Paragraph 4(a), following the date of calculation).

(c) **Exchanges.**

(i) Unless otherwise specified in Paragraph 11, the Transferor may on any Local Business Day by notice inform the Transferee that it wishes to transfer to the Transferee Eligible Credit Support specified in that notice (the "New Credit Support") in exchange for certain Eligible Credit Support (the "Original Credit Support") specified in that notice comprised in the Transferor's Credit Support Balance.

(ii) If the Transferee notifies the Transferor that it has consented to the proposed exchange, (A) the Transferor will be obliged to transfer the New Credit Support to the Transferee on the first Settlement Day following the date on which it receives notice (which may be oral telephonic notice) from the Transferee of its consent and (B) the Transferee will be obliged to transfer to the Transferor Equivalent Credit Support in respect of the Original Credit Support not later than the Settlement Day following the date on which the Transferee receives the New Credit Support, unless otherwise specified in Paragraph 11(d) (the "Exchange Date"); provided that the Transferee will only be obliged to transfer Equivalent Credit Support with a Value as of the date of transfer as close as practicable to, but in any event not more than, the Value of the New Credit Support as of that date.

Paragraph 4. Dispute Resolution

(a) **Disputed Calculations or Valuations.** If a party (a "Disputing Party") reasonably disputes (I) the Valuation Agent's calculation of a Delivery Amount or a Return Amount or (II) the Value of any transfer of Eligible Credit Support or Equivalent Credit Support, then:

(1) the Disputing Party will notify the other party and the Valuation Agent (if the Valuation Agent is not the other party) not later than the close of business on the Local Business Day following, in the case of (I) above, the date that the demand is received under Paragraph 2 or, in the case of (II) above, the date of transfer;

(2) in the case of (I) above, the appropriate party will transfer the undisputed amount to the other party not later than the close of business on the Settlement Day following the date that the demand is received under Paragraph 2;

(3) the parties will consult with each other in an attempt to resolve the dispute; and

(4) if they fail to resolve the dispute by the Resolution Time, then:

(i) in the case of a dispute involving a Delivery Amount or Return Amount, unless otherwise specified in Paragraph 11(c), the Valuation Agent will recalculate the Exposure and the Value as of the Recalculation Date by:

(A) utilising any calculations of that part of the Exposure attributable to the Transactions that the parties have agreed are not in dispute;

(B) calculating that part of the Exposure attributable to the Transactions in dispute by seeking four actual quotations at mid-market from Reference Market-makers for purposes of calculating Market Quotation, and taking the arithmetic average of those obtained; provided that if four quotations are not available for a particular Transaction, then fewer than four quotations may be used for that Transaction, and if no quotations are available for a particular Transaction, then the Valuation Agent's original calculations will be used for the Transaction; and

(C) utilising the procedures specified in Paragraph 11(e)(ii) for calculating the Value, if disputed, of the outstanding Credit Support Balance;

(ii) in the case of a dispute involving the Value of any transfer of Eligible Credit Support or Equivalent Credit Support, the Valuation Agent will recalculate the Value as of the date of transfer pursuant to Paragraph 11(e)(ii).

Following a recalculation pursuant to this Paragraph, the Valuation Agent will notify each party (or the other party, if the Valuation Agent is a party) as soon as possible but in any event not later than the Notification Time on the Local Business Day following the Resolution Time. The appropriate party will, upon demand following such notice given the Valuation Agent or resolution pursuant to (3) above and subject to Paragraph 3(a), make the appropriate transfer.

(b) **No Event of Default.** The failure by a party to make a transfer of any amount which is the subject of a dispute to which Paragraph 4(a) applies will not constitute an Event of Default for as long as the procedures set out in this Paragraph 4 are being carried out. For the avoidance of doubt, upon completion of those procedures,

Section 5(a)(i) of this Agreement will apply to any failure by a party to make a transfer required under the final sentence of Paragraph 4(a) on the relevant due date.

Paragraph 5. Transfer of Title, No Security Interest, Distributions and Interest Amount

(a) *Transfer of Title.* Each party agrees that all right, title and interest in and to any Eligible Credit Support, Equivalent Credit Support, Equivalent Distributions or Interest Amount which it transfers to the other party under the terms of this Annex shall vest in the recipient free and clear of any liens, claims, charges or encumbrances or any other interest of the transferring party or of any third person (other than a lien routinely imposed on all securities in a relevant clearance system)

(b) *No Security Interest.* Nothing in this Annex is intended to create or does create in favour of either party any mortgage, charge, lien, pledge, encumbrance or other security interest in any cash or other property transferred by one party to the other party under the terms of this Annex.

(c) *Distributions and Interest Amount.*

(i) *Distributions.* The Transferee will transfer to the Transferor not later than the Settlement Day following each Distributions Date cash, securities or other property of the same type, nominal value, description and amount as the relevant Distributions ("Equivalent Distributions") to the extent that a Delivery Amount would not be created or increased by the transfer, as calculated by the Valuation Agent (and the date of calculation will be deemed a Valuation Date for this purpose).

(ii) *Interest Amount.* Unless otherwise specified in Paragraph 11(f)(iii), the Transferee will transfer to the Transferor at the times specified in Paragraph 11(f)(ii) the relevant Interest Amount to the extent that a Delivery Amount would not be created or increased by the transfer, as calculated by the Valuation Agent (and the date of calculation will be deemed a Valuation Date for this purpose).

Paragraph 6. Default

If an Early Termination Date is designated or deemed to occur as a result of an Event of Default in relation to a party, an amount equal to the Value of the Credit Support Balance, determined as though the Early Termination Date were a Valuation Date, will be deemed to be an Unpaid Amount due to the Transferor (which may or may not be the Defaulting Party) for purposes of Section 6(e). For the avoidance of doubt, if Market Quotation is the applicable payment measure for purposes of Section 6(e), then the Market Quotation determined under Section 6(e) in relation to the Transaction constituted by this Annex will be deemed to be zero, and, if Loss is the applicable payment measure for purposes of Section 6(e), then the Loss determined under Section 6(e) in relation to the Transaction will be limited to the Unpaid Amount representing the Value of the Credit Support Balance.

Paragraph 7. Representation

Each party represents to the other party (which representation will be deemed to be repeated as of each date on which it transfers Eligible Credit Support, Equivalent Credit Support or Equivalent Distributions) that is the sole owner of or otherwise has the right to transfer all Eligible Credit Support, Equivalent Credit Support or Equivalent Distributions it transfers to the other party under this Annex, free and clear of any security interest, lien, encumbrance or other restriction (other than lien routinely imposed on all securities in a relevant clearance system).

Paragraph 8. Expenses

Each party will pay its own costs and expenses (including any stamp, transfer, or similar transaction tax or duty payable on any transfer it is required to make under this Annex) in connection with performing its obligations under this Annex, and neither party will be liable for any such costs and expenses incurred by the other party.

Paragraph 9. Miscellaneous

- (a) **Default Interest.** Other than in the case of an amount which is the subject of dispute under Paragraph 4(a), if a Transferee fails to make, when due, any transfer of Equivalent Credit Support, Equivalent Distributions or the Interest Amount, it will be obliged to pay the Transferor (to the extent permitted under applicable law) an amount equal to interest at the Default Rate multiplied by the Value on the relevant Valuation Date of the items of property that were required to be transferred, from (and including) the date that the Equivalent Credit Support, Equivalent Distributions or Interest Amount were required to be transferred to (but excluding) the date of transfer of the Equivalent Credit Support, Equivalent Distributions or Interest Amount. This interest will be calculated on the basis of daily compounding and the actual number of days elapsed.
- (b) **Good Faith and Commercially Reasonable Manner.** Performance of all obligations under this Annex, including, but not limited to, all calculations, valuations and determinations made by either party, will be made in good faith and in a commercially reasonable manner.
- (c) **Demands and Notices.** All demands and notices given by a party under this Annex will be given as specified in Section 12 of this Agreement.
- (d) **Specifications of Certain Matters.** Anything referred to in this Annex as being specified in Paragraph 11 also may be specified in one or more Confirmations or other documents and this Annex will be construed accordingly.

Paragraph 9 of the Annex is hereby amended by adding the following provisions to the end thereof:

(1) Legally Ineligible Credit Support. Unless otherwise specified in Paragraph 11, upon delivery of a Legal Ineligibility Notice by a party, each item of Eligible Credit Support (or a specified amount of such item) identified in such notice (i) will cease to be Eligible Credit Support for purposes of Transfers to such party as the Transferee hereunder as of the applicable Transfer Ineligibility Date, (ii) will cease to be Eligible Credit Support for the other party as the Transferor for all purposes hereunder (other than for the purposes of the definitions of Credit Support Balance and Equivalent Credit Support) as of the Total Ineligibility Date and (iii) will have a Value of zero on and from the Total Ineligibility Date, other than for the purposes of Paragraph 6.

"Legal Ineligibility Notice" means a written notice from the Transferee to the Transferor in which the Transferee (i) represents that the Transferee has determined that one or more items of Eligible Credit Support (or a specified amount of any such item) either has ceased to satisfy, or as of a specified date will cease to satisfy, collateral eligibility requirements under law applicable to the Transferee requiring the collection of variation margin (the "Legal Eligibility Requirements"), (ii) lists the item(s) of Eligible Credit Support (and, if applicable, the specified amount) that have ceased to satisfy, or as of a specified date will cease to satisfy, the Legal Eligibility Requirements, (iii) describes the reason(s) why such item(s) of Eligible Credit Support (or the specified amount thereof) have ceased to satisfy, or will cease

to satisfy, the Legal Eligibility Requirements and (iv) specifies the Total Ineligibility Date and, if different, the Transfer Ineligibility Date.

"Total Ineligibility Date" means the date on which the relevant item of Eligible Credit Support (or a specified amount of such item) has ceased to satisfy, or will cease to satisfy, the Legal Eligibility Requirements applicable to the Transferee for all purposes hereunder; provided that, unless otherwise specified in Paragraph 11, if such date is earlier than the fifth Local Business Day following the date on which the Legal Ineligibility Notice is delivered, the Total Ineligibility Date will be the fifth Local Business Day following the date of such delivery.

"Transfer Ineligibility Date" means the date on which the relevant item of Eligible Credit Support (or a specified amount of such item) has ceased to satisfy, or will cease to satisfy, the Legal Eligibility Requirements for purposes of Transfers to the Transferee hereunder; provided that, unless otherwise specified in Paragraph 11, if such date is earlier than the fifth Local Business Day following the date on which the Legal Ineligibility Notice is delivered, the Transfer Ineligibility Date will be the fifth Local Business Day following the date of such delivery.

(2) **Return of Posted Credit Support with a Value of Zero.** The Transferee will, promptly upon demand (but in no event later than the time at which a transfer would be due under Paragraph 3(a) with respect to a demand for the Transfer of Eligible Credit Support or Equivalent Credit Support), Transfer to the Transferor Equivalent Credit Support in respect of any item comprised in the Credit Support Balance (or the specified amount of such item) that as of the date of such demand has a Value of zero; provided that the Transferee will only be obligated to Transfer any Equivalent Credit Support in accordance with this Paragraph if, as of the date of Transfer of such item, the Transferor has satisfied all of its transfer obligations under this Annex, if any.

(3) **Reinstatement of Credit Support Eligibility.** Upon a reasonable request by the Transferor, the Transferee will determine whether an item (or a specified amount of such item) of Eligible Credit Support that was the subject of a prior Legal Ineligibility Notice would currently satisfy the Legal Eligibility Requirements applicable to the Transferee. If the Transferee determines that as of such date of determination such item (or specified amount of such item) satisfies the Legal Eligibility Requirements applicable to the Transferee, the Transferee will promptly following such determination rescind the relevant Legal Ineligibility Notice with respect to such item (or specified amount of such item) by written notice to the Transferor. Upon the delivery of such notice, the relevant item (or specified amount of such item) will constitute Eligible Credit Support hereunder.

(ii) **Methodology Used to Calculate Transaction Amounts**

Subject to all applicable laws and regulations, the parties agree that, in determining or calculating any amounts under any Transaction, including, but not limited to, value of the Transaction or the value of any collateral or amounts due to or from either party, the market practices, methodologies or valuations that were in use at the time the Transaction was entered into will not be materially changed, amended, removed, replaced, substituted or adjusted ("**Material Methodology Changes**") by either party unless (i) such party can demonstrate that such Material Methodology Changes are supported by current market practices, upon request by, and to the reasonable satisfaction of, the other party, or (ii) the other party provides its express written consent.

(iii) **Final Returns**

When no amounts are or may become payable by the Transferor with respect to any obligations (except for any potential liability under Section 2(d)) under this Agreement, the Transferee will transfer to the Transferor Equivalent Credit Support with respect to the Credit Support Balance.

(iv) **Definition of Exposure.** Without limiting the term "Obligations" as defined in this Annex, and notwithstanding anything in the definition of "Exposure" to the contrary, all calculations of "Exposure" under this Annex shall exclude any and all FX Transactions and Currency Option Transactions (as defined in the 1998 ISDA FX and Currency Option Definitions as published by

the International Swaps and Derivatives Association, Inc., the Emerging Markets Traders Association and the Foreign Exchange Committee) provided, however, that the definition of "Exposure" will include any FX Transaction or FX Currency Option Transaction that pursuant to law or regulation (including but not limited to the draft regulatory technical standards on risk-mitigation techniques for OTC-derivative contracts not cleared by a CCP under Article 11(15) of Regulation (EU) No 648/2012 as the same may be adopted, amended or supplemented from time to time), is required to be collateralized or that is agreed by the parties to be subject to the terms of this Credit Support Annex."

- (v) **Default.** Paragraph 6 of this Annex is amended by changing the heading from "Default" to "Early Termination" and the addition of "or a Termination Event where all Transactions are Affected Transactions" after the words "to a party" at the beginning of the second line and "or an Affected party, as the case may be" after "Defaulting Party" in the fourth line."

- (vi) **Paragraph 6.**

For the purposes of Paragraph 6, Value shall have the meaning set out in Paragraph 10 of the Annex save that reference to "...multiplied by the applicable Valuation Percentage, if any ..." shall be deleted from the definition.

- (vii) **Transfer Timing**

With respect to any Transfer of Eligible Credit Support demanded under Paragraph 2(a) or 2(b), the term "Settlement Day" as referenced in the final paragraph of Paragraph 3(a) is deemed to mean, unless otherwise agreed, if a demand for the Transfer of Eligible Credit Support or Equivalent Credit Support is made by the Notification Time, then the relevant transfer will be made not later than the close of business on the same Local Business Day; if a demand is made after the Notification Time, then the relevant Transfer will be made not later than the close of business on the next Local Business Day thereafter.

- (viii) **ISDA 2014 Collateral Agreement Negative Interest Protocol**

The parties agree that the amendments set out in the Attachment to the ISDA 2014 Collateral Agreement Negative Interest Protocol published by the ISDA on May 12, 2014 and available on the ISDA website (www.isda.org) (the "Protocol") shall apply. The parties further agree that the Annex will be deemed to be a Protocol Covered Collateral Agreement and that the Implementation Date will be the effective date of the Annex notwithstanding the definitions of such terms in the Protocol.
